

Amritansh Joshi
Metallurgical Engineering and Materials Science
Indian Institute of Technology Bombay

22B2490
B.Tech.
Gender: Male
DOB: 07/01/2005

Examination	University	Institute	Year	CPI / %
Graduation	IIT Bombay	IIT Bombay	2026	

Received **AP Grade (2/130 students)** in *Diffusion and Phase Transformations*, and **13 AA** Grades across interdisciplinary courses

POSITIONS OF RESPONSIBILITY

Overall Coordinator | Student Mentor Program

[Feb '25 - Present]

Appointed by **Director, IITB** to lead a **4-tier** team of **500+** members | Student representative (**4 in 12k+**) nominated to **Institute Senate**

Team Building	- Handpicked 156 / 400 mentors and 27 cabinet members via a 3-stage protocol - SoP, interviews, and peer reviews - Initiated first-ever department mentorship programs in IEOR & LASE, creating a support system for 70+ students
Leadership	- Led the redesign of the peer-review portal, improving workflow efficiency by 88 % and saving over 90 man-hours - Enhanced mentor accountability through the revamp of a real-time concern flagging portal, impacting 150+ users
Initiatives & Policies	- Pioneering IITB's first English learning course on Moodle, directly aiding 3K+ students via focused offline integration - Revamped institute policies to aid 300+ academically struggling students via the academic rehabilitation program - Orchestrated IITB's maiden Student-Faculty Meet across 15 departments, to ease onboarding for 1.4K+ freshers - Spearheaded mentorship framework for 18+ preparatory students, to streamline academic planning and support

Head Teaching Assistant | English Learning Program (ELP)

[Jul '24 - Dec '24]

Led a **6-member, 2-tier** team supporting students through personalized one-on-one English assistance & skill improvement training

Highlights	- Ideated ELP's maiden one-on-one offline tutoring sessions, supporting 500+ UG & PG students with English learning - Curated English learning content & modules in collaboration with British Council to aid proficiency development
------------	---

PROFESSIONAL EXPERIENCE

Jaguar Land Rover | EV Materials Intern

[May '25 - Jul '25]

Secured **first place** at **JLR Global Hackathon** on 'Electric Motor Cooling System', representing **India** among **7 nations** | Received **LoR**

Strategy	- Assessed 10+ key magnetic materials, including rare-earth-free & composites, via benchmarking and supply analysis - Aligned a tailored magnet selection method with engineering constraints of JLR's Materials and E-Magnet teams
Output	- Improved PMSM motor performance in EVs by 20% via evaluation of 5+ optimized alternative magnetic materials - Developed 9-parameter matrix on magnet, cost, & mechanical inputs to optimize material selection time by 40%
Business Impact	- Enabled early-stage down-selection for JLR's next-gen PMSM platforms, targeting 20–30% cost reduction in sourcing - Supported JLR's Destination Zero roadmap, identifying materials with 40% less rare-earths and 20% better strength - Demonstrated novel rare-earth-free composites with superior properties, validated through mathematical modeling

KEY PROJECTS

Out-of-Pocket Health Spending in India | Economics of Health Care

[Jan '25 - Apr '25]

Part of a 5-membered team, delivering policy insights on health spending and financial risk | Course Project, Guide: Prof S Banerjee

Highlights	- Analyzed data from 113k+ households via NSS, identifying 16.4% catastrophic spending & 4.2% impoverishment risk - Proposed 2.5% GDP public health spending & broader insurance coverage to reduce reliance on distress financing
------------	--

Tata Motors: Business Strategy Case | Managerial Economics

[Aug '24 - Nov '24]

Awarded **10/10 grade** | Researched key strategic revivals in the automobile sector | Course Project, Guide: Prof Surajit Bhattacharya

Highlights	- Investigated Tata Motors' market rebound from 4.6% to 12.1%, identifying cost-efficiency & consolidations as levers - Mapped platform consolidation & group synergies driving 160% share growth and per-car profitability above Maruti
------------	---

EXTRACURRICULAR ACHIEVEMENTS

Honored with prestigious **Sachdev A. Chairayath Cultural Memorial Inter IIT Award** by **Dean of Student Affairs, IITB**

	Achievement	Event	Details
Music	Overall Winners	Inter IIT Culturals Meet 7.0, IIT Patna	Winner of IITB's Sole Music Championship
	Gold Medal (x2)	Inter IIT Culturals Meet 5.0, 7.0, IIT Madras	1/3 freshmen to represent the team in 2022
	Silver Medal	Inter IIT Culturals Meet 6.0, IIT KGP	Lead guitarist, competed with 23 IITs nationally
	National Winner	Kurukshetra festival, DY Patil	Nationwide competition with 15+ bands
	Original Music	Spotify, YouTube Music, Apple Music	Garnered 12k+ streams across platforms
	First Prize	Goonj GC, Battle of the Bands	Sole student to win all Intra-IITB music events
Teaching	- Selected as Teaching Assistant (2/128) for MM210 course, providing regular academic support to 100+ students - Conducted weekly Introductory Music Drum lessons for 75+ students, driving a 20% annual growth in participation		
Oratory	- Nominated (2 in 12k+) to officially address 25k+ students and parents over a live broadcast of JEE IITB Open-house - Conducted 5+ seminars for 750+ mentors, strengthening IITB's student support systems, reaching 5k+ beneficiaries
