

**Radhika**  
**Mechanical Engineering**  
**Indian Institute of Technology Bombay**

**210100125**  
**B.Tech.**  
**Gender: Female**  
**DOB: 04/10/2003**

| Examination | University | Institute  | Year | CPI / % |
|-------------|------------|------------|------|---------|
| Graduation  | IIT Bombay | IIT Bombay | 2025 |         |

### SCHOLASTIC ACHIEVEMENTS

- Recipient of **NTSE** scholarship by **Govt. of India** (**1M+** students)
- Placed **3<sup>rd</sup>** in the **British Council** Science Contest (**8+** countries)
- **International Rank 4** in Science Olympiad, SOF (**20k+** students)
- **Teaching Assistant** for course MS101 (**500+** students | **100+** hrs)

### PROFESSIONAL EXPERIENCE

|                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
