Pursuing a Minor in Industrial Engineering and Operations Research

PROFESSIONAL EXPERIENCE	
Strategy & Summer Associate	<i>E-Commerce sales acceleration for Leading Indian Textile and Apparel Company</i> [May '25 – Jul '25] <u>Supply Chain & Logistics</u> : Created model to speed inventory allocation, improving availability and sales - Automated flow of 0.1M+ units across 20k+ SKUs in 3 warehouse systems reducing TAT from 8h to 30m - Standardized product allocation process for 15+ product types using sales trend and inventory analysis <u>Product Cataloguing</u> : Oversaw cataloguing of 1K+ product launch styles across 5+ online marketplaces - Onboarded AI-based catalogue enhancement agency and tracked quality improvement for 1.5k+ styles
Council on Energy Environment and Water Research Intern	<i>Part of the Energy Transitions vertical at one of Asia's leading Policy Think Tanks</i> [May '24 – Jul '24] - Assisted in research on small hydro policy aimed to advise the Ministry of New and Renewable Energy - Analysed electricity tariffs from 20+ states for a rooftop solar - plus - storage system savings calculator - Reviewed 25+ business model proposals to identify 3 key models with BESS solutions for consumers
POSITIONS OF RESPONSIBILITY	
Overall Coordinator SMP	Student Mentor Program Heading 3 institute cabinets – ISMP, DAMP and ELP [Feb '25 – Present] <i>Appointed by the Director to lead a 4-tier team with 500+ members across 15 departments and 4 verticals</i> <i>One of four nominated student representatives part of the Institute Senate, the apex governing body of IITB</i>
Team Building	- Handpicked 156/400 mentors and 27 cabinet members by a process of SoP, interviews & peer reviews - Established department mentorship in IEOR and LASE to build a support system for 70+ sophomores
Policies and Initiatives	- Spearheading policy initiatives to support 300+ students under the Academic Rehabilitation Program - Expanded training for 400+ mentors to include first aid, communication skills, and crisis identification - Designed IITB's first Moodle-based English course to improve language skills for struggling students - Revamped mentor log portal to enable real-time flagging and quick escalation of freshmen concerns
Institute Secretary Academic Affairs	Undergraduate Academic Council ISAA and Head, Student Support Services [May '24 – Feb '25] <i>Highest nominated student officer; Worked to address academic improvement and queries of 5k+ students</i>
Leadership	- Led a team of 4 coordinators to organize academic help sessions with an attendance of 1k+ students - Pioneered the Academic Policy Newsletter with a viewership of 5k+ students & 200+ faculty members
Policies and Initiatives	- Led institute-wide policy reform for summer/self-study courses, reducing extension of students by 5% - Devised a New Curriculum Review to identify gaps, coordinating with 10+ department representatives
KEY PROJECTS	
B.Tech Project Sizing of OA Solar PV Plants	Optimal Sizing of Open Access (OA) PV Systems as a Function of Policy Incentives [Aug '25 – Present] - Analysing OA policies, ToD rates and constraints in various states to derive optimal sizing of PV plants - Modeling generation of plant in PVLib Python and benchmarking against real-world consumption data
Course Project Hospital ICU Simulation	Simulation Modelling and Analysis of a Paediatric Hospital ICU Dept. of IEOR [Mar '23 – May '24] - Applied statistical distribution fitting and performed p-value tests on 30+ data sets ensuring accuracy - Simulated hospital using AnyLogic software revealing 50% underutilisation in the ICU through results
Research Project WURP	Designing Equitable and Realistic Climate Scenarios Centre for Policy Studies [Dec '23 – Apr '24] - Reviewed equity assessments in IPCC's 6th Assessment Report to highlight Global North-South gaps - Analysed energy demand patterns by evaluating 3k+ scenarios from 90+ climate models in Python
ACHIEVEMENTS AND EXTRA-CURRICULARS	
Scholastic	One of 6 students to secure a change of branch to the Department of Energy Science and Engineering - Ranked among top 200 out of 0.4 million+ appearing candidates in the MHT-CET entrance exam
Mentorship	1/19 selected out of 1400+ third-year students responsible for mentoring 10 incoming freshmen - Responsible for mentoring 9 sophomores to foster holistic development and guide academic choices - Teaching Assistant for 30+ first-year students for BB101 and conducted weekly tutorial sessions
Dance	- Trained in Kathak for 10+ years and performed at Dharohar-the classical and folk arts festival at IITB - Certified in 5 out of 7 levels (Madhyama Purna) in Kathak conducted by Gandharva Mahavidyalaya
Case Competitions	- Secured a rank in top 18/2150+ teams in the Indian Case Challenge 2025 organised by IIT Kharagpur - Ranked among top 20 teams in IITB in BCG Ideathon with an initiative to drive solar panel utilisation
