PROFESSIONAL EXPERIENCE

IDFC FIRST BANK | Associate Data Analyst | HQ, BKC Complex, Mumbai [MAY '24 – JUL '24]

Part of the PL data analytics team, worked on a project aimed at maximizing customer lead conversion rates using ML models

- Pioneered a **2-step XGBoost** propensity model on **AWS SageMaker**, utilizing automated **EMR jobs** for efficient model training
- Analyzed data for **19M+** clients with **25K+** variables, statistically inferring **correlation coefficient** with loan conversion rates
- Optimized model performance by identifying **100 variables** with significant correlation, boosting **Gini** by **6.6%** and **KS** by **8.5%**
- Anticipated a **40K+ customer** surge in high loan propensity segment and revenue growth of **₹76M** with inferred alterations

SYSTEMATIC WIRES PVT. LTD. | Project Executive | Mumbai [MAY '23 – JUL '23]

Leading solution provider and manufacturer in CHQ wires, Alloy steel wires and Spheroidized annealed in process (SAIP) wires

- Specialized in optimizing **steel pickling** and **shot-blasting processes** for wire rods, boosting overall productivity and quality
- Assessed **30+ carbon steel grades** and **5+ manufacturing techniques**, from raw wire to high-quality finished steel products
- Developed dynamic **Excel dashboard** for precise live monitoring of dip timings, inventory levels, and work-in-progress records

SANTA FE ASSOCIATES INDIA PVT. LTD. | Intern | New Delhi [JUL '22 – JUL '23]

A professional service firm evaluating business risks and offering basic solutions to micro, small and medium enterprises (MSMEs)

- Successfully completed a **60-day** tenure with the organization as part of the '**Holidays Internship Program**' experience
- Gained exposure to domains like **Financial Planning**, **Capital Budgeting** and **Corporate Finance** during the internship

LEADERSHIP EXPERIENCE

DAMP and ARP Mentor | Student Mentorship Program | IIT Bombay [MAY '23 – Current]

Part of a **35-member team** selected through a rigorous interview process, overall performance and strong peer reviews

- Responsible for guiding **6 sophomores** from diverse backgrounds to cope up with academics and co-curriculars endeavors
- Contributed to the **Information and Outreach** subgroup, handling academic policy updates for **300+ MEMS** undergraduates
- Assisting mentees in **Academic Rehabilitation Program** to clear backlogs; acting as liaison between faculty and students

KEY PROJECTS

OPTION PRICING MODELS | FinSearch, Finance Club, IIT Bombay [JUL '23 – AUG '23]

- Crafted a detailed report on **option pricing** models, demonstrating **Monte Carlo Simulation** using **NumPy & Pandas** in Python
- Studied **Black-Scholes Model (BSM)** and **Binomial Lattice Model (BLM)** for predicting **European Vanilla** and **American** options
- Explored various applications of BSM and BLM, achieving **97.24% accuracy** in predicting option prices using **Black Scholes**

MODERN STOCK TRADING | Summer of Science, Math and Physics Club [MAY '23 – JUL '23]

- Developed and implemented trading strategies using **moving averages**, **RSI**, and **MACD**, enhancing portfolio performance
- Applied **CAPM** and statistical methods to assess **risk-adjusted returns**, optimizing asset allocation for better outcomes
- Utilized **Bollinger Bands**, **Fibonacci retracements**, and **ATR** indicators to identify and capitalize on market opportunities

STOCK VISION | Self Project [AUG '24]

- Optimized **stock price predictions** with **SVR**, **Random Forest**, and **Gradient Boosting**, achieving **71.28% accuracy** efficiently
- Implemented ensemble methods and **KNN** for financial data, enhancing model performance with **Yahoo Finance API**
- Led model selection, **tuning with GridSearchCV** for stock forecasting, greatly improving accuracy and overall effectiveness

TECHNICAL SKILLS

Software Microsoft Office, RStudio, AWS SageMaker, AWS S3, Amazon EMR, ProwessIQ, Power BI, MySQL

Languages & Packages C++, MATLAB, R, LATEX, Python, PySpark, SQL, Spark SQL, Scikit-learn, NumPy, Pandas, Matplotlib

SCHOLASTIC & EXTRA-CURRICULARS

Scholastic	- Achieved 99.69%ile in JEE Mains out of 1.1 Mn & 98.93%ile in JEE Advanced out of 0.25 Mn candidates Class Representative: Supported 135+ peers with personalized assistance and effective communication
Competitions & Conferences	- Participated in finale of International Science & Creativity Olympiad'18 organized by INTELLIFY, IIT Delhi - Qualified Phase 1 and advanced to Phase 2 of the Techkriti Open School Championship 2018, IIT Kanpur - Researched on Firm Competitiveness and presented the results at GLOGIFT-22 at LMTSM, Chandigarh
Miscellaneous	- Bagged 1st position in the Street Play General Championship organized by the Institute Cultural Council - Represented hostel and actively participated in Halloween, Crossy and Carrom General Championships - Completed year-long Yoga training led under NSO - Studied French extensively for 3 years in school
Management & Finance	- Undertook courses in operations, project mgt and accounting and finance from SJMSOM, IIT Bombay - Completed Financial Markets online course from Yale University, focused on investment and risk aspects
