PROFESSIONAL EXPERIENCE

Nomura Research Institute Management Consulting Intern [May'25 - Jul'25]	SAF	<i>Awarded an LoR from the Principal for exceptional contribution to ISCG, delivering high-impact market analyses</i> - Projected 185 Mn ton market, shaping global strategy by assessing 65+ mandates, 5+ demand drivers - Proposed 5 India-Japan collaboration by mapping India's ecosystem, export potential to 5 regions
	Semi-conductor	- Forecasted India's SC market at 15.9% CAGR across 5+ demand areas highlighting sectoral shift - Recommended 3 entry ways for Japanese client into India's SAF market by identifying 10+ gaps
	UK Real Estate	- Directed Japanese client's GTM by reviewing BTR of 12 cities, benchmarking with US & Japan markets - Identified top investment corridors by analyzing 5 economic drivers & insights from 5+ market reports
Redseer Strategy Consultants Business Analyst [Jun'24 - Jul'24]	<i>Executed documentation of DRHP & Industry report for E-commerce logistics client - delivering market analysis</i> - Projected 25% annual growth for B2C express shipment through 5 strategic insights in e-commerce logistics - Performed competitive benchmarking on top 6 players using 10+ qualitative & quantitative indicators, EBITDA - Proposed 3+ suggestions by analyzing 5+ key trends, 3 challenges to E-commerce logistics landscape in India	
Indian Oil Corporation Ltd. Industrial Trainee [May'24 - Jun'24]	<i>Gained hands-on experience with 5+ key refinery operations at mother and secondary units of Barauni refinery</i> - Contributed to 20% reduction in accident ensuring regulatory compliance by participating in the safety drills - Achieved 10% reduction in operational costs by conducting analysis, process optimization and automation - Prepared technical reports on unit refinery operations, 5 department overviews and key performing indices	

POSITION OF RESPONSIBILITY

AZeotropy, IITB Events Manager [May'24 - Mar'25]	<i>Part of 14-membered core team of the Asia's largest Chemical Engineering Symposium having budget INR 2Mn+</i> - Headed Events division drawing 100+ corporates, 350+ colleges, 11K+ footfall from all over India, 10+ events - Achieved 125% YoY growth in engagement by deals with professional licensor and organizing 15 workshops - Pioneered collaboration with eminent faculties from top universities, industry professionals for Chemvision	
Mentorship [Jan'24 - Present]	DAMP Mentor	<i>Selected out of 120+ students through rigorous process of interviews and extensive peer reviews</i> - Mentoring 5 sophomore students to assist them in their holistic and academic development - Conducting 10+ academic help sessions, events and course reviews for sophomore students
	Teaching Assistant	- Awarded an LoR by the Head of DSSE Dept and mentored 200+ students in their course works - Served thrice as a TA for courses in Strategy & Leadership, Fintech Ent, managing all logistics

KEY PROJECTS

Kellogg School Of Management [Jun'24 - Jul'24]	<i>Received LoR for showing exemplary analytical & research skills via rigorous data analysis by Prof. Ameet Morjaria</i> - Documented 3000+ global conservation parks, reserved environmental sites analyzing changes over regime - Ensured 85% data accuracy by verifying designation years of 2000+ GBR Parks, Britain from Protected Planet
SJMSoM MRP Efficiency (406) [Apr'24]	<i>Conducted a literature review on production planning technique focusing on strategy for cycle time reduction</i> - Optimized production schedules, reduced WIP costs through 3 strategies like APS, Bottleneck Management - Evaluated methods like LETSA approach and capacity scaling approach for estimating lead times, lead time offsets
Duosis Bio Ltd. Ethanol Blending [Jul'24]	<i>Boosted sustainability by 20% by focusing on by-product utilization by studying 3 ethanol production pathways</i> - Optimized methods to improve ethanol yield by 25%, researching about bio-reactor distillation technologies - Evaluated ethanol blending policies of 5 state govts and recommended optimal project initiation locations

RESEARCH EXPERIENCE

Prayog, CTARA Tech-Dev SL 390 [Aug'24 - Dec'24]	<i>Investigated agricultural practices in 20+ Warna villages (Sangli) to assess agrochemical-driven river pollution</i> - Led 75+ Kobo Toolbox geo farmer surveys, capturing crop-wise chemical usage across 557,100 ha farmland - Assessed QGIS land use and chemical inputs for 15+ crops, revealing high-intensity zones & elevation trends - Modelled river pollutant transport to stretch from 10+ agrochemicals, guiding targeted sustainable farming
--	--

EXTRACURRICULAR ACTIVITIES

Case Based Projects	Stratify	• Achieved 85% churn prediction accuracy and built predictive model on 250K+ customer record
	Prodcom	• Boosted InstiApp retention by 80% via 60+ surveys enlisting 10+ pain points, 3 new features
	ConsultX	• Reduced electricity theft by 25% , raising on-time payments by 35% and metering rates by 20%
Tech Team - ExoFly	- Part of 40-member team developing personal flying device that can cover 20+ mile for SUAS Competition, UK - Analyzed 30+ companies to generate sponsorships, funding & managed overall project and content creation	
Social	- Led 50+ volunteers for 15+ NGOs as an Activity Associate of NSS to deliver 1000+ hours of community service - Organized 50+ volunteer visit to Team Vision, an NGO catering to the needs of 100+ visually impaired people - Volunteered to the Versova Beach Cleanup, organized by Abhyuday by collecting 350+ tons of ocean waste	
Miscellaneous	- Stood 1st in the Fresher's Tug of War Part of Udghosh Kabaddi camp Awarded by NTPC, Govt of India - Anchored MI & NSS Fresher's Orientation and hosted Mantra, Battle of Bands 1K+ audience for the event
