

Procured **AIR 1** in ACET; cleared CM1 (Maths), CS1 (Stats), CB1 (Finance), CB2 (Economics), CB3 (Management) from IAI
Passed the Chartered Financial Analyst (**CFA**) Level 1 on **first** attempt in October 2025, building a solid base in finance

SCHOLASTIC ACHIEVEMENTS

- Awarded the prestigious Institute Academic Prize I in 2022–23 among **21** and 2023–24 among **20** from 1,400+
- Pursuing a **Minor** at the Centre for Machine Intelligence and Data Science; also achieved **10 SPI** in 8th semester
- Earned **Branch Change** to Industrial Engineering and Operations Research M.Tech. as one of the top **2** selected
- Scored **aaa.aa percentile** in JEE Mains and **aaa.aa percentile** in JEE Advanced among aaa million candidates
- Received **₹4 lakhs** INSPIRE scholarship for top **1%** in 12th and ranked **705** globally in IMO (114+ countries)

PROFESSIONAL EXPERIENCE

Ernst and Young | *Actuarial Intern* (Jan '25-Mar '25)

- Implemented a robust **reserve** calculation strategy for Accidental Death Benefit, incorporating variable factors
- Improved efficiency **7.2×** and cut storage **96%** via Dask parallel processing and category compression in pandas
- Scaled processing from **1** million rows in Excel to over **20** million in Python for large-scale actuarial analysis

DT Portfolio Managers | *Financial Analyst* (May '25-June '25)

- Analyzed alkaline battery segment growth from **premiumization**, developed market trends and investor calls
- Boosted financial analysis **2.4×** and cut computation by **54%** by feeding zoomed images over PDFs to Perplexity
- Saved **5+** hours every month by automating portfolio screening using PyAutoGUI on the Bloomberg platform

FidelFolio Investment Advisory | *Quant Investment Analyst* (Feb '25-Apr '25)

- Revamped strategy analysis by back testing company fundamentals with **15+** advanced analytical visualizations
- Efficiently managed **missing** values for buy-hold and rebalance strategies, alongside sector distribution analysis
- Computed Internal Rate of Return with **PyXIRR**, using investor net worth & product returns to model cash flows

KEY PROJECTS

Scheduling Combat Logistics Force | *Indian Navy* (Dec '24-Present)

- Understood combat ship path needs and ideated algorithms for efficient tanker ship **scheduling** and **routing**
- Integrated **CBC** solver with a custom **heuristic**, addressing complex commodity constraints in naval operations
- Extended horizon to **27** days, enabling **₹400+** crore annual savings for Indian Navy through code optimization

Modelling Variance in Whole Life Insurance | *Markov Decision Processes* (Sep '24-Present)

Jay Vora | *Full length paper under peer-review in Arab Journal of Mathematical Sciences (Emerald), Scopus/DOAJ-indexed*

- Modeled whole life insurance as infinite-horizon discrete-time discounted Markov Chain with exp. survival age
- Discovered that **demand** increases variance for policies with fewer initial policyholders compared to without it

Team Shunya | *Junior Design Engineer* (Aug '22-May '23)

Earned 1st rank in 2 contests, 2nd in 2, 3rd in 3, and secured 2nd globally in USSD called Olympics of Sustainable Architecture

- Engineered a practical liquid desiccant setup for dehumidification and designed **2 HVAC** systems with AutoCAD
- Persuaded **2** sponsors from **5** prospects and acted as a key contact for a **gold sponsor** during the project launch

LEADERSHIP EXPERIENCE

Stock Prediction using Deep Reinforcement Learning (WiDS) | *Analytics Club* (Dec '23-Jan '24)

- Spearheaded the mentorship of **9** students, cultivating their proficiency in finance and reinforcement learning
- Built RL models with gym-anytrading and crafted support resistance, MACD and ADX indicators collaboratively

Momentum Based Portfolio Strategy (FinSearch) | *Finance Club* (June '23-Sep '23)

- Mentored a cohort of aspiring students, facilitating their journey through expert guidance and curated resources
- Proactively oversaw project progress, addressed inquiries, reviewed reports, and polished final presentations

EXTRACURRICULAR

- Represented Gujarat state **3 times** as **captain** and proudly garnered **1 silver** medal at the national level in Yoga
- Gained **2 gold**, **7 silver** and **4 bronze** medals in state; **4 gold**, **3 silver** and **1 bronze** medals in district in Yoga
- Assisted **120+** invited guests at Pramukh Swami Maharaj Shatabdi Mahotsav having a daily footfall of **3.9** lakh
- Teaching Assistant MDP ['25] | Stack Exchange ['21, 75 badges] | Wikipedia contributor ['21] | NSS SSD ['21–22]
- **Technical Skills:** Python, SQL, R, Spark, MATLAB, Power BI, Jira, VBA, Bloomberg, C++, MS Excel, MathJax, Canva
