Pursuing a minor in **Computer Science and Engineering** under the CSE department at IIT Bombay

SCHOLASTIC ACHIEVEMENTS

- Currently ranked **8th** academically out of over **140** students in the Department of Chemical Engineering ['24]
- Secured **9.5+ SPI** in fifth semester | Grabbed **AA/AB** grade in **20+** courses pertaining to academic excellence ['23]
- Achieved **AIR 985** in JEE Mains among 1.2M+ students | **AIR 1703** in JEE Advanced among 250K+ students ['21]

PROFESSIONAL EXPERIENCE

Data Analyst | Citi | NAM Foreign Exchange Division [May'24-Jul'24]

Received **Letter of Recommendation** from Asst. Vice President at Citi for exceptional work & exemplary performance

Highlights	- Projected reduction of 2400+ working hours quarterly by automating the model selection process - Studied mathematical equations and code of the ARIMA model to gauge the discrepancy in results
Approach	- Utilized Langchain to build RAG system managing & retrieving information from over 1k+ chats - Tested and compared four different feature selection techniques to select the best macro variables - Automated rolling MAPE calculation and Data transformation process to ease back-testing

ML Intern | Lending Katalyst [Dec'23]

- Reviewed **10+** research papers and Python libraries to engineer an optimal **image deskew algorithm** pipeline
- Recommended **Jdskew** algorithm after assessing its accuracy & speed in comparison to the **Deskew** library on test dataset

KEY PROJECTS

Decision Science Hackathon | American Express [Jun'24-Jul'24]

- Ranked in the **top 100** among **4500+** teams by developing a model for cricket match winners using **boosting** algorithms
- Augmented the input dataset by engineering features from match-level, batsman, and bowler dataset information
- Leveraged advanced machine learning with **XGBoost**, achieving **58.5%** accuracy in predicting T20 match winners

M&A and Bankruptcy: Impact on Stock Market | Finsearch | Finance Club [July'22-Aug'22]

- Ranked in the **top 10** out of **200+** teams, and pitched to senior analysts in an exclusive offline round at **OneCard**
- Carried out SWOT analysis of **Flipkart, Walmart & e-Bay** M&A to study fluctuations in their stock prices
- Scrutinized the sharp **99.96%** drop in the share price of the **Lehman Brothers** Insolvency case during FY 2007-08

Time Series Forecasting | Winter in Data Science | Analytics Club [Nov'22-Dec'22]

- Plotted **ACF & PACF** graphs to optimize parameters such as lag observation, differencing and window width
- Successfully predicted the opening price of TESLA shares with less than **5% Mean Absolute Percent Error**

Credit Card Fraud Detection | Self Project [Jun'23-Jul'23]

- Performed **exploratory data analysis** & applied **synthetic minority oversampling** to handle unbalanced data
- Implemented ML models like XGboost, Random Forest, and Adaboost classifier to achieve a **95 %** accuracy rate

POSITIONS OF RESPONSIBILITY

Competitions Head | AZeotropy, IIT Bombay [July'24 - Apr'24]

Part of a 16-membered team of Asia's largest Intercollegiate Chemical Engineering Symposium | Budget: **INR 2 Million+**

Leadership	- Led a 2-tier team of 50+ students to execute 10+ competitions with an outreach of 11k+ students - Diversified the competitions portfolio by introducing data science, optimization and modeling
Initiatives	- Collaborated with ChemTL to conduct AZeocube, model making competition on water purification - Coordinated with the web and design team to improve user experience of portals for contestants - Achieved 150% growth in overall participation by initiating new and innovative publicity strategies

DAMP Mentor | Student Mentorship Program | IIT Bombay [May'23 - Present]

Senior **ARP** mentor in **40** membered team, selected on the basis of extensive peer reviews and rigorous interview process

- Mentoring **6+1 sophomores** over the year, guiding them with their academic transition and holistic development
- Responsible for organizing & managing **10+** events and course related help sessions targeted towards **250+** students

EXTRA-CURRICULAR

Mentor	- Served as a Teaching Assistant for the MA108 course, conducted tutorials for 40+ students ['23] - Mentored four third-year students under D-CMP program, aiding them in their internship season
Sports	Trekking- Kalsubai[5400 ft] & Kothaligad[3100 ft] Year-long training in Badminton under NSO
