

Harsh Agarwal
Electrical Engineering
Indian Institute of Technology Bombay

210070032
B.Tech.
Gender: Male
DOB: 24/09/2002

Examination	University	Institute	Year	CPI / %
Graduation	IIT Bombay	IIT Bombay	2025	

SCHOLASTIC ACHIEVEMENTS

- Attained an **All India Rank of 337** in the IIT-Joint Entrance Examination (JEE) Advanced, distinguished among **0.15 Mn** candidates nationwide
- Co-authored** the Technical Design Paper (TDP) on Matsya 6B (Autonomous Underwater Vehicle) highlighting improved electrical architecture

PROFESSIONAL EXPERIENCE

Boston Consulting Group Summer Associate [May '24 – Jul '24]	Awarded Letter-of-Recommendation from Project Leader in recognition of exceptional performance & contribution		
	Revenue growth and Go-to-Market strategy development for Fortune 500 wires and cables manufacturing company Europe : Prioritized 8 markets & 6 sectors from 44 countries by analyzing EXIM & demand trend to craft GTM strategy - Refined strategic priorities by evaluating market size & benchmarking price competitiveness against Chinese firms - Created a strategic 5-year roadmap with aim to generate INR 10 Bn; identified 20+ key customers to onboard Indian Defence : Developed strategic entry plan with aim to generate INR 0.5 Bn in aerospace and naval sectors - Identified 5+ DPSUs as key potential customers; conducted 10-year market analysis to forecast opportunities		
IvyCap Ventures Research Consultant [Aug '24 – Present]	Early-stage Venture Capital firm upscaling 50+ startups across EdTech, Health, FinTech etc Fund size: INR 20 Bn+ - Building strategy pieces for portfolio companies to facilitate market growth through in-depth competitor analysis - Analyzing data & trends from 5+ sources; collaborating with the team to generate actionable recommendations		

POSITIONS OF RESPONSIBILITY

Media & Publicity Head 53 rd Mood Indigo Asia's Largest College Cultural Festival [Apr '23 – Mar '24]	Part of a team of 22 leading 900+ volunteers Net Worth: INR 98 Mn Footfall: 148k+ Events: 250+ Colleges: 5k+		
	Milestones	- Signed promotional deals worth INR 45 Mn (highest ever) with 25+ brands like PVR, Mid-day & HT - Shifted conventional social media strategies to experience-driven model: 130% rise in engagement	
	Initiatives	- Boosted media worth by 40% by using a zero-budget, cross-promotional influencer marketing model - Conceptualised the first-ever behind-the-scenes festival coverage to increase audience engagement	
	Impact	33% Y-o-Y rise in social media engagement - Cost reduction: Publicity – 15%, Coverage – 22%	- Rise in Social media impressions – 2.1x Y-o-Y - Y-o-Y rise: Registrations – 18%, Followers – 34%
Convener Cultural Council [Apr '22 – Mar '23]	Revitalized offline Literary Arts by conducting 50+ events across 6+ genres for 10,000+ strong student community - Achieved 28% (y-o-y) reduction in publicity costs by striking strategic deals through negotiations with 10+ vendors - Executed the first IITB Scrabble Open with the Scrabble Assoc. of India engaging 40+ players from 5+ countries		
Electrical Designer AUV-IITB [Feb '22 – Feb '23]	Developing a state-of-art Autonomous Underwater Vehicle – Matsya Secured 7th place globally in Robosub '22 - Developed, fabricated and tested the electrical stack comprising PCBs, sensors and a CAN communication Bus - Designed and crafted custom shield to interface Bar30 depth sensor across 4+ channels using an Arduino Uno		

KEY PROJECTS

Indian Navy INS Shivaji [Nov '22 – Dec '22]	Collaborative project between Navy and AUV-IITB Automation of Unmanned Surface Vehicle for defense missions - Engineered the integration of a Pixhawk and Raspberry Pi to enable 9 axis sensor fusion achieving >90% accuracy - Established reliable telemetry communications via MAVLink, connecting the ground control station to the vehicle		
Drona Aviation [Aug '22 – Feb '23]	Industrial collaboration between Drona Aviation & AUV-IITB Designed a mass manufacturable underwater drone - Reduced required vehicle volume by 30% via cost-effective electric framework utilizing pre-existing hardware - Attained an 80% increase in overall vehicle stability by developing a feedback PD controller on Magis firmware		
SUPER-SCALAR CPU DESIGN [Oct '23 – Nov '23]	Advanced Computer Architecture Guide: Prof. Virendra Singh Course Project Electrical Engineering Department - Designed two-wide fetch superscalar CPU with 4 execution pipelines for RISC-based ISA for efficient processing - Optimized memory speed via advanced technique namely lazy store, load bypassing, and selective commit flush - Demonstrated CPU's functionality on MAX10 FPGA, successfully running LED pattern program to validate design		

EXTRACURRICULAR ACTIVITIES

Quizzing	- Secured 3rd place in the Inter IIT Cultural Meet, competing against 20 IITs as part of the quizzing contingent National runners-up in TCS IT WIZ business & technology quiz from 12K+ teams; featured in 15+ newspapers Finalist in the Inter IIM-IIT Quiz Meet - Nihilanth at IIM Ahmedabad, facing off against 10+ IIMs and IITs			
Case Competitions	Achievement	Competition	Particulars	Details
	2 nd position	IIT BHU, CasEx	350+ teams	Devised pricing model for OTT platform
	2 nd position	SP Jain IMR, Stock N Roll	300+ teams	Presented investment thesis on L&T
	National Finalist	Global Management Challenge	30+ countries	Managed business in a virtual simulation
Interactive Tech	- Innovated a wearable glove that enabled users to engage in immersive drumming in augmented reality - Developed a capture-the-flag strategy game using PyGame python library, competing against over 70 teams			
Miscellaneous	- Secured 1st place in Just A Minute (JAM) tournament 2nd place in Intra-Department Basketball tournament		- Won 'Best Sound Editing' title in Radio Play GC 2nd place in Inter-House Volleyball tournament	
Social	- Orchestrated social cause campaign to fight climate change; Organized beach clean-up in alliance with NGOs - Honoured with the Outstanding Activist award from PETA for contributions to animal welfare campaigns			
Interests	• Trekking and Photography Avid follower of films Social deduction & board games Formula 1 enthusiast
